Instructions

1. List Names in the Team List and the Draw Tab
2. Record the LSD "Thrower's Identity" in the appropriate LSD tab
3. Enter the LSD measurements against the team in the appropriate "Draw" tab, these will appear in the LSD tab and the Hammer will be allocated
4. Enter the score against both teams
5. Rankings will be displayed in the lower grid and carried forward
6. Insert an "X" for a game not played
7. In the LSD M/W tab in Cols. D, H, L, P of the DSC grid above insert the LSD player's I/D no. as listed in Cols. E and their name will appear above.

NB: As the first LSD's may be discarded the DSC totals will only show at the 2nd draw.
